

KODAK Security Camera IP101WG

Full HD, Pan/Tilt indoor camera

1080p Full HD quality video

The KODAK IP101WG camera produces 1920 x 1080 Full HD resolution for clear video streaming, playback and recording.

Remote Pan/Tilt

From the KODAK Security app on a phone or tablet, the camera can be rotated remotely. It can pan up to 270° horizontally and tilt to 90° vertically which allows to have a view of the whole room. An automatic position resets the position to its registered point.

Two-way audio

Listen to what's going on through the Wi-Fi camera and talk through the camera's built in speaker, using your smartphone.

Camera recording

Capture and record video to micro SD card, so there is no need for expensive services to store your recordings. Supports micro SD cards up to 128GB maximum capacity (SD not included).

Google Drive

Automatically upload record video from the camera to your personal Google Drive. View your recorded videos on your computer, tablet, or smartphone from your personal Google Drive account.

Night vision

5 surface-mounted infrared LEDs allows you to view potential security risks for your family or business, even in the dark up to 8 meters.

Optional accessories and KODAK alarm system

The IP101WG security camera is made for expansion and can integrate up to 6 additional accessories (door sensors, motion detectors, remote control), and the KODAK alarm system.

The KODAK Security app allows you to manage the camera used alone or with accessories. The KODAK Connect app allows you to manage the camera (alone or with accessories) as part of an alarm system setup.

KODAK Security Camera IP101WG

TECHNICAL Characteristics

Network

Interface	IEEE 802.11 b/g/n - Ethernet RJ45
Protocols	TCP/IP, UDP, SMTP, NTP, DHCP, ARP
Authentication	DID/Password
Simultaneous viewers	3 concurrent sessions
Network security	WEP/WPA/WPA2 (TKIP, 128 bit AES)

Camera

Installation	Indoor
Image resolution	Full HD 1080p
Image sensor	2 Megapixel 1/3"CMOS
Antenna	3dBi Dipole, SMA connector
Storage media	Micro SD flash slot, maximum 128GB
Viewing angle	H:85°+3° / V:45°+3°
Pan/Tilt range	H:270° / V:90°
Focal length	4.0mm
Number of LEDs	5 IR LEDs with IR cut filter
Lowlight visibility	8 meters

Audio/Video

Image compression	H.264
Audio compression	AAC
Display frame rate	30 FPS
Recording frame rate	30 FPS
Built-in microphone	Yes
Recording period	1 minute per motion detection
Motion sensitivity	Adjustable

Application

Remote viewing	Free iOS and Android app
Compatibility	iOS 8.0 and Android 4.4 versions minimum
Notifications	Push + e-mails
Cloud storage	Upload to Google Drive

General parameters

Power requirement	100-240V
Operating temperature	-10° to 40°C
Storage temperature	-20° to 60°C
Operating humidity	20-90%
Compatible with KODAK alarm system	Yes

Motorized head

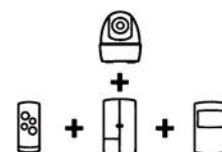

Two-way audio

Built-in siren

Recording on the Cloud

Compatible with accessories

PACKAGE CONTENTS :

- . IP101WG Camera x 1
- . Power Adapter x 1
- . Ethernet Cable x 1
- . Quick Installation Guide x 1

DIMENSIONS :

- . Length : 203 mm
- . Width : 128 mm
- . Height : 245 mm
- . Weight : 1 kg
